Thanet Coast Project is grateful for your donations and support.

Please follow the Thanet Coastal Codes

Local people have helped draw up voluntary codes to help safeguard coastal wildlife, while allowing people to enjoy their activities:

Respect Coastal wildlife

Consider other users

Stay safe on the beach

Be environmentally friendly

See www.thanetcoast.org.uk for codes on seashore, bait digging, dog walking, horse riding, field trips, shore angling, power-craft and wind-powered activities.

Tread carefully on the chalky shore - its my home!

Take photos, and not my mates home!

Avoid scaring my coastal feathered friends - they need rest at high tide!

Please take your rubbish home with you or use the bin provided!

SAFE

Water Safety in Thanet

- **Spot** the dangers
- Take **Advice**
- Go with a **Friend** or **Family** member
- Learn what to do in an **Emergency**
Put up your hand & shout, or call **999 / 112**

The **Thanet Coastal Codes** and a **Water Safety in Thanet** video can be viewed online at our website, or for advice visit: RNLI.org/education

North East Kent

Marine Protected Area

The North East Kent coast is one of the best sites in Europe for wintering birds, and marine life of the chalk caves, reef and sandy bays.
